## First Baptist Church Victoria, BC

Traditional In Style;  
striving to be:  
Biblical In Preaching  
and Living,  
Open In Attitude.

First Baptist Church  
seeks to be a fellowship  
where all ages  
can grow in  
Christ.

## A Bit of Background:

On May 3, 1876, a group of fifteen people met to organize the First Baptist Church and became the first Baptist work in Canada west of Winnipeg. Incorporated August 24, 1893, we continue to seek to follow God's leading as we strive to minister to the people of Victoria and the world around us.

While valuing our rich history and the traditions we have inherited, we embrace the challenges of presenting the good news of salvation through Jesus Christ in ways that will touch the hearts and minds of those we encounter in our daily walk.

## What You Can Expect:

Our building is wheelchair accessible and we provide supportive equipment for the hearing impaired. We also have a tape ministry for those who are unable to attend the service.

Our Sunday worship service is traditional in form, relaxed in dress, and warm in fellowship. We appreciate the great hymns and enjoy some more recent Christian music too.

Following the morning worship service we gather in the fellowship hall for refreshments and conversation. Please plan to share this time with us so that we may become better acquainted.

We have a small parking lot on North Park Street and those greeting at the door have passes and directions to a public parking lot close by.

## One Special Ministry to the Community:

Adjacent to our church building are two large buildings under the management of North Park Manor Society. These buildings contain slightly more than 200 rent-geared-to-income units primarily for seniors. The first building sits on land donated by the church and 75% of the Board of the Society is made up of church members.

Our Senior Pastor, Rev. Dr. Axel Schoeber, brings the Scriptures to new life with his gift of scholarship combined with a heart for communicating the gospel in ways that are compelling and relevant to our lives. He is an excellent preacher and a skilled teacher in the person of a vibrant and caring man.

We warmly invite you to join with us today and in the future as we worship and praise our Saviour and as we study and seek to obey God's Word together.

Sincerely,

*His People at First Baptist Church*
